HOC SIGNO FORTUNA.

BALTIMORE, FRIDAY, August 15, 1823.

The most Brilliant Prospects

are now presented to adventurers in the GRAND STATE LOTTERY of Maryland. The 6th drawing of this splendid scheme took place yesterday afternoon, and of the numerous Capitals Floating in the wheels, none came out except *One of One Thousand Dollars*, which fell to No. 7658, and is owned in a whole ticket in Baltimore. The 100 dollar prize is held in Mecklenburg County, N. Carolina; we had the pleasure of sending it per mail to the fortunate holder during last month. The official list of yesterday's drawing will be found on the next page. Small prizes should be immediately sent on to COHEN'S OFFICE, for renewal.

*. The Drawing will be continued on Thursday after next, the 28th inst. as usual.

Only Fourteen more Drawings

remain to complete the GRAND STATE LOTTERY of Maryland. The present state of the wheel is certainly of the most dazzling complexion. The magnificence of the Capitals, there being one (the highest) of the splendid amount of ONE HUNDRED THOUSAND DOLLARS!! Besides others of minor importance, such as \$20,000—2 of \$10,000—2 of \$5,000—15 of \$1,000, &c. The whole of them being payable in CASH, which can be had at COHEN'S OFFICE, the moment they are drawn.—There being NO RISK, till all the Capitals are drawn, which in the mean time, the adventurer must have had a chance for, without the possibility of a previous Blank.—The low rate of the Tickets and Shares—these combined with the PROMPTNESS AND PUNCTUALITY IN THE PAYMENT OF PRIZES, which have always characterized the Baltimore Lotteries, will, no doubt, encrease the already great demand for Tickets, and cause a greater scarcity than usual, particularly when it is recollected that this scheme is the MOST BRILLIANT OF ANY IN THE UNITED STATES!

TICKETS, \$15 00 QUARTERS, \$3 75
HALVES, 7 50 EIGHTHS, 1 87

Orders from any part of the Union, either by mail (post paid) or by private conveyance, enclosing the Cash or Prizes in any of the Baltimore Lotteries, will meet the same prompt and punctual attention as if on personal application, addressed to J. I. COHEN, JR.—BALTIMORE.

Washington Monument Lottery.

The seventh drawing of this patriotic Lottery will take place ON THURSDAY NEXT the 21st inst. Only nine drawings remain to complete this brilliant scheme, and the great Capitals of 20,000 dolls.—10,000—10,000—2,000, &c. &c. still to be distributed. The state of the wheel will be found on the 4th page of this day's Register. The rates of the Tickets are very low, but will soon be advanced.—

Present prices, viz:

TICKETS, \$10 00 QUARTERS, \$2 50
HALVES, 5 00 EIGHTHS, 1 25

to be had, warranted undrawn, as heretofore, at COHEN'S OFFICE. Orders per mail, post paid, or by private conveyance will meet the most prompt attention, addressed to

J. I. COHEN, Jr.—Sec'y to the Man'g're,
BALTIMORE.

We did not publish the Register last week, as during that period there was no drawing in either of the Lotteries.

GREAT CONFLAGRATION.—*Destruction by Fire of the Virginia Penitentiary on the night of the 8th inst.*

RICHMOND, Aug. 9.

That immense pile, the Virginia Penitentiary, is now a heap of smoking ruins.—Last night, a little before 12 o'clock, the city watch repeated the appalling cry of *Fire!* which had been given by the centinels on duty at the Penitentiary. That vast building was soon totally wrapt in flames, and though the night was very dark, every street in the city was illuminated by the reflection of the flames.

The firemen with their engines and the State troops and volunteers under arms, repaired to the Penitentiary with the utmost expedition. The engines were very useful in checking the flames, until by great exertions several prisoners were cut out of different cells, after it seemed almost impossible to save them; and the military succeeded, it is believed in securing the whole of the prisoners, 244, who were marched to the capitol, where they were kept under guard until day light, when the men, after being ironed, were marched to the armory, where they are guarded by a company of volunteers and a company of militia.

The fire originated in one of the work-shops in the centre of the building, and was probably the effect of carelessness or accident. Very few of the goods that were in the Penitentiary were saved.

The Governor and Council were in session on the subject this day, and it was suggested that an extra session of the legislature would be called.

THE WEATHER.—Last Friday, the 8th, was, we believe, the warmest day experienced this season in Baltimore. Thermometers in the shade exhibited the mercury at the height of 92 to 96 degrees and upwards, according to the coolness of the situations in which they were placed.

FATAL ACCIDENT.—A young man living at the corner of Pitt and High-streets, was on Sunday morning last, incautiously handling a loaded gun which accidentally exploded—the whole load entered his mother's neck—she instantly expired. Verdict of the jury, "that they believed that *Rossanna Gill* came to her death by being accidentally shot with a rifle by William Christie, her son—the ball entering just below her left ear passing out behind the right ear."

SPANISH CLAIMS.—We learn by the Washington Gazette, that the Commissioners of Claims, under the late treaty with Spain, adjourned on Wednesday last, to meet again on the 12th of November next, when it is said they will be able to complete the adjustment of the claims upon which they were appointed to decide.

POTOMAC CANAL.—General William H. Winder, Henry Payson, Roger B. Taney, John B. Morris and James L. Hawkins, Esqs. compose the committee appointed by the mayor to represent the city of Baltimore, at the meeting held at Frederick on the 12th instant, on the important subject of the Potomac Canal.

The Norfolk Herald states that the store ship *Decoy*, which had been lying at quarantine since her arrival from Thompson's Island in June last, having been thoroughly cleansed, and every precaution that suggested itself, having been used to free her from infection, had a new crew put on board of her and proceeded up to the Navy Yard on Monday the 4th inst. Notwithstanding, however, the extraordinary pains that were taken to purify her, four of the crew were attacked with a fever, of a malignant type (as we understand) in the course of forty-eight hours from the time they went on board, and the

ship was on Wednesday ordered back to quarantine, where the crew were sent to Craney Island, and the sick deposited in the hospital at that place.

A letter from Norfolk mentions the arrival at quarantine on Monday morning of the U. S. schooner *Ferret*, Lieut. Com. NEWELL, in 9 days from Thompson's Island—all well on board.

Latest European Intelligence.

The old line packet ship *Columbia*, has arrived at New-York from Liverpool; she sailed on the 1st July, and brings papers to that date.

Mr. MATHEWS, the comedian, had arrived at Liverpool in the ship *Mentor* from New-York, and was warmly greeted by the audience at the theatre in that city, on the first night of his appearance.

Of Spanish affairs, the papers speak rather despondingly. The King of Spain remained at Cadiz, whither he had been sent for safety by the Cortes.

A meeting has been called at Edinburgh, to consider the propriety of a subscription in aid of the Spanish constitutionalists.

FRENCH ACCOUNTS.—MADRID, June 18.

On the 8th, Sir W. A'Court, the British Ambassador, offered his mediation to the Government, proposing to go in person to Madrid, and promising to do all in his power to bring back favourable conditions. The Cortes replied, that they stood in no need of any Foreign interference; at the same time that they expressed their gratitude for his good intentions.

On the 11th, the Minister of England sent a note to the Government, in which he stated that as he was accredited to the King, and not to a *Regency*, he could not follow the King to Cadiz without further instructions.

The Cortes then, in order that they might remove the objections of Sir W. A'Court, ordered his letter to be answered by a declaration that his Majesty would be under restraint only on his journey, but that he would resume his functions in Cadiz. Sir William replied, that he could not go, for that he did not see his objection removed by the proposed arrangement. He, therefore, remains at Seville for new instructions. The Minister of the United States of America, the Ambassador of the Netherlands, and the Ambassador of Sweden, likewise remain at Seville.

FROM SPAIN—ADDITIONAL.

A proof-slip from the office of the New-York Advocate, dated on Sunday at noon says:—We have been favoured by a friend with a file of Gibraltar papers to the 1st July, received by the Mary & Jane, arrived at Philadelphia, and we still observe, with regret, that the accounts are in no manner flattering to the cause of Spain and civil liberty.

The French troops entered Port St. Mary's on the 23d of June, to the amount of 4000 foot and 500 cavalry. This town is nearly opposite Cadiz, distance less than 3 miles, from the nearest point of which Soult threw shells into the city during the long siege; and if so small a force is tranquilly permitted to occupy a post so near the Cortes and King without immediate resistance by the people, the cause must be in a melancholy condition indeed.

The only hope now is, that Cadiz will be able to hold out, and a few months' resistance will do every thing for Spain, as the French cannot long remain tranquil in Spain; their safety requires that they should be across the Pyrenees before December, or a winter campaign, dangerous in its results, will be demanded, and there are many preliminaries to settle before that time, and the resistance of Cadiz may accomplish much good. The King, by proclamation, dated June 28th, has declared, in a state of siege, the district comprehending the Island of Cadiz.

Those who wish to receive the drawings will mention it when they send on their Orders.
Baltimore, July 25, 1823.

The Official Lists of the Drawings of the GRAND STATE and MONUMENT LOTTERIES are both published in this paper, and will be forwarded, gratis, to all those who purchase their tickets at COHEN'S OFFICE.

The Notes of any of the Banks in Virginia, North Carolina, South Carolina or Georgia, and also of all specie-paying Banks in Maryland, New York, Pennsylvania and Ohio, will be received at COHEN'S OFFICE, at par, in payment for either Tickets or Shares in the Grand State or Monument Lotteries.—The notes of the Bank of the United States and Branches will also be received par.

Halves, Quarters and Eighths.

The demand for Share-Tickets in the GRAND STATE LOTTERY continues unprecedented.—They are issued at COHEN'S OFFICE, by authority of the ACT OF ASSEMBLY. The advantage to the adventurer in purchasing Shares, is in the increased number of chances obtained for the same amount of money which would otherwise be invested in a whole Ticket—and when we consider the great amount of the Capital Prize of ONE HUNDRED THOUSAND DOLLARS in the Grand State Lottery, we are not surprised at the demand for the Shares, as an HALF TICKET, which costs only seven dollars and fifty cents may produce FIFTY THOUSAND—A QUARTER Ticket, which costs only three dollars and seventy five cents, may produce TWENTY-FIVE THOUSAND—and an EIGHTH Ticket, which costs but the trifling sum of one dollar eighty-seven and a half cents, may produce to the adventurer no less than TWELVE THOUSAND FIVE HUNDRED DOLLARS!

Orders from any part of the United States, by mail (post paid) or by private conveyance, enclosing the cash, or prizes in any of the Baltimore Lotteries, will meet the same prompt and punctual attention, as if on personal application, addressed to

J. I. COHEN, Jr.—Baltimore.
